BHSN Band Booster Meeting – April 14, 2015

6:00 – Band Room
Officers present: Janis Parker, Erin Wager-Miller, Lisa Ensman, Moira Wedekind
Attendance: Janis Stockhouse, Jeannie Galbreath, Sharon Mayell, Teresa Barnett, Joslyn Ellison, ??

Swing Dance:
Earned ~$3500 with no auction. Student numbers and presales were down. Adult ticket numbers were about the same as last year. Dessert and drink sales were down.

CA Trip:
There are now 84 people signed up, including 10 adults.
Kids and parents can earn $25 each at the Bloomington Half Marathon.
There will be a car wash/bake sale in May. A sale of donated gift cards and a sale of Avon products will not take place due to lack of interest/volunteers.

Officers, etc:
Names were suggested for various leadership positions. People will be contacted individually to see if they are interested.

Monthly Meetings:
We discussed whether monthly meetings were still useful or not, and if so, whether the time should be changed. During Marching Band, 6 or 8pm would be good, so as to coincide with drop off or pick up of students. We could poll parents for a good time at the pitch-in.

Misc:
-An undergrad informatics student asked if we'd want to be test subjects for his new app, which is an alarm that plays ads. We could raise money for the band program by using the alarm. The consensus was to not pursue this.
-The BHSS Guard director, Vicki, will also work for us next year.
-The band program will have the same classes next year as it did this year.

Senior Parents:
Congratulations, goodbye, and many thanks to the parents of senior band members, especially
Nancy Metz and Julie Wernert – uniforms,
Tania Gardner – treasurer (actually stayed on this past year without a child in band),
Moira Wedekind – student accounts, worked to get us incorporated and revise the constitution,
Sharon Mayell – Patron Drive, publicity
Janis Parker – President, March-a-thon, Swing Dance, and more. But she will be back soon.

Next meeting: May 12 - Elections
