ISSMA Solo & Ensemble:

Earned ~\$1000

CA Trip:

74 travelers are signed up. Don't know how many are adults.

Trash bag sales brought in about \$900 for student accounts.

McDonald's cards - ~\$1000

The Service Auction at the Swing Dance has been cancelled due to liability concerns. Maybe we can do an art and gift certificate auction. To do a raffle, we have to wait for our license and we have no idea when we'll hear back about that. We'll have a mattress sale and do things at the Farmer's Market, maybe have a kids' camp in the summer.

Officers, etc:

Everyone needs to write job descriptions and try to recruit leaders for next year.

Swing Dance:

Flyers were given out for people to post. A press releases/announcement was provided to the publicity chair.

We'll ask to have air conditioning, since it was so hot last year. It's not an easy thing for MCCSC to do. Having the dance in the commons won't work due to space, the shape of the space, etc. Cost will be \$10 students, \$15 adults, \$40 max per family

Next meeting: April 14
