Marching Band:

Suggestions for props next year: We need to plan better and further in advance. We need a budget, a timeline, an assembly and management crew separate from the pit crew. This year, the props cost \$4-500 plus some donations of paint, etc. Guard parent helped the pit crew with getting the props on and off the field.

Janis suggested a dine-and-donate and/or ask businesses to put good luck messages on their signs for the week of semi-state. Our tailgating could be cancelled if there's a football sectional at North. For Awards Night, we'll have soup and sandwiches and Boosters will get gifts for staff.

Winter Guard:

Candle sale fundraiser after Nov. 2. It was suggested that they perform at a basketball game and/or do a show with Winter Percussion.

Winter Percussion:

Call out meeting Wed. after school to see how many want to participate. They could perform at a basketball game also.
